

# Information Board

Step through our doors and look down our halls – what do you see? A Spanish class making way for a Latin Ballroom Dance class? A group of friends going for lunch in our café? A son dropping off his father for Foot Care? Or a volunteer rushing from table tennis class to her job at the Greeter's Desk?

The Seniors Centre is a hub of activity. Each day, 350 people or more pass through our door to participate in the 100+ classes, activities, clinics, seminars, events, and dining.
